MEMORANDUM FOR: Director of Central Intelligence  
THROUGH : Deputy Director of Administration  
FROM : Stanley Sporkin  
General Counsel  
SUBJECT : Letter of Commendation - Dr. Robert Ingram,  
Director of Medical Services

Bill,

STAT

1. It is with great appreciation that I bring Dr. Ingram's  
compassion and concern to your attention. [redacted]  
was diagnosed as having a rare and serious disease,

[redacted] Upon notification by this Office, Dr. Ingram  
visited [redacted] while she was hospitalized [redacted]  
[redacted] and has personally followed her case.

Subsequently, he has given me follow-up reports as to her  
prognosis and care.

STAT

2. This is another example of Dr. Ingram taking a personal  
interest in the welfare of this Agency's employees. Dr. Ingram  
is an excellent example of those officers who extend themselves  
in the performance of their duties. More importantly, bringing  
that personal, warm touch to those who are ill adds support to  
this Agency's interest in being extremely sensitive to the  
needs of its fine employees.
